# Ways to Participate

At World Art Dubai, we recognize that **every artist has a unique vision for presenting their work.**

For 2026, you can select the participation format that best suits your needs:

## Solo Artist Booth

Enjoy your own dedicated booth to present and highlight your artworks in a personalized space.

## Shared Booth

Exhibit with two or more artists of your choice. This makes participation collaborative and more cost-effective, with the coordination and cost-sharing managed directly between the artists. Each artist is allocated one wall, (A Group Captain will be appointed for coordination).

## Gallery Participation

Registered galleries can book a stand to showcase multiple artists, providing greater exposure for their represented talents.
